

How the Boots Benevolent Fund helps

The Fund supports both current & former colleagues in financial hardship.

“Thank you for making my house a home again” - Jenny was helped when her boiler broke down

“Today you have made my journey of recovery distress free” - John was helped with a shower chair

How you can help

Former colleague's can donate to the Fund via a scheme called Give Through Your Pension. To contribute simply fill in the form below and send back to us. Our ambition is for all colleagues to give £1 per month to the Fund. **Together we can help all those in financial hardship.**
